with a value of EUR 24.00**

### **Thank you for your commitment to climate protection!**

Your contribution will flow into myclimate climate protection projects in developing and emerging countries. The projects meet the highest standards (CDM, Gold Standard, Plan Vivo) and contribute to the UN's sustainable development goals (SDGs). myclimate projects not only reduce greenhouse gas emissions but also contribute to the social, ecological and economic development in the region.

**Guarantee:** myclimate shall be obligated to use your compensation to save the aforementioned quantity of climate-polluting greenhouse gases (CO<sub>2</sub>) in a climate protection project. All climate protection projects shall be carried out by competent partners and checked by independent experts. myclimate applies only the strictest, independent quality standards (CDM, Gold Standard and Plan Vivo) when it selects and develops climate protection projects.
